    - etc.

Competitors

- Cytu.be
- Sync-Video
- Watch2gether

Drawbacks:

- Non-intuitive UI
- Syncing Unstable
- Channels are viewbottable
- Channel browsing
- No Real global mods

Cytu.be

Competitors

- Cytu.be
- Sync-Video
- Watch2gether

Drawbacks:

- Not very popular
- Not updated often
- Chat UI is terrible

Sync-Video

Competitors

- Cytu.be
- Sync-Video
- Watch2gether

Drawbacks:

- No Room Customization
- No easy way to browse the rooms
- Webcam feature can draw away from the video

Watch2gether

Conclusion

- Harmedia video synchronization web application
- Few of these applications and they're not very popular
